Subject: Contacts for application/ program questions

Mike and Jill,

I spoke with Melanie Burdick this afternoon and she is anticipating a response from Aquila to the EPA objection letter within the next week. I am going to be out on vacation the afternoon of the 5th until the 16th. Melanie has asked who she can contact in my absence and I have provided you both as contacts if she has any questions about the groundwater model or wetland watershed budgets.

Thanks.
